

## Acacia Round Table By Calligaris

VOYAGER

“Seat all your guests comfortably with the round Acacia dining table, the perfect accent table for any dining room or study.”

Modelled on the Acacia tree, coming from the short 'trunk' base are long curved 'branches' which give life to the base of the this fixed top dining table, acting as a support for the tempered glass round table top. Its sleek design recalling a tree natural shape gives 'Acacia' an extremely lightweight look, yet it is a stable and sturdy dining table thanks to its metal base.

**Colours:** Frosted acid etched black, frosted acid etched extra white, transparent smoked grey or transparent clear. Matt black, matt taupe or matt optic white lacquered metal base.
