

Allure Sideboard By Bernhardt

VOYAGER

“True to its neoclassical roots, this sideboard features decorative details such as vertical beading and shiny metal ferrules.”

With a fresh modern aesthetic and a subdued palette, the Allure sideboard gives a formal silhouette a softer, more understated look. Quartered white oak veneers are finished in Manor White with Silver Luster highlights for an effortless glamour. Vertical beading on the three drawers provides texture and a touch of timeless elegance. Adding to the appealing symmetry of the piece, two large sunburst pulls shine in a Silver Mist finish.
