**“Contemporary and elegant industrial style, the Lexington has a staggering array of material options and size options. This is the perfect way to add design and materiality to your space.”**

Design by Pocci & Dondoli

An aesthetically appealing material match-up characterizes Atena bookcase. Its geometries enhance the apparent simplicity of the design, which invites to customization in the choice not only of finishes, but also of spaces, alternating solids and voids, which endow the bookcase with dynamism and reflections, in extravagant contrast to the rigor of squares and rectangles.

**Lead time:** Made to order. Approximately 20-24 weeks from Italy.
