## Axiom Nightstand By Bernhardt

VOYAGER

### “A unique material story”

This nightstand offers a unique material story, blending veneers with acrylic and metal accents in a clean, sleek design.

Crafted from poplar solids and engineered faux anigre veneers, the Axiom nightstand features a softly curved front with a unique inverted pyramid design. Three silky yet low-sheen finishes form a subtle, sophisticated palette. Clear acrylic is combined with metal for hardware with a fresh and unique feel. With clean lines and a sleek form, this two-drawer nightstand remains a warm and inviting staple for the bedroom.
