

Cali Sofa By Ditre Italia

"Inspired by Kali, the four-armed Indian goddess."

Designed by DAINELLI STUDIO

Inspired by Kali, the four-armed Indian goddess, the numerous sturdy legs on the "Cali" chair highlight the promise of stability.

The Cali collection has been extended with a family of upholstered products featuring delightful sinuous and enveloping silhouettes. The design of the tub chair and sofas – two- or three-seater – stands out with a remarkable sense of stability which is emphasised by the solid legs
