## Cuper Swivel Armchair By Ditte Italia

**VOYAGER**

**"A timeless design with superior comfort."**

Cuper reinterprets the classic bergère model: high and featuring a generous headrest. A simple click of the hidden side button activates the tilting movement that allows the backrest to be reclined as required. In addition, the swivel base contains a self-aligning mechanism so it returns to the same position. Also available is an optional footstool for additional comfort.

**Dimensions (cm): H 115 | W 81 | D 92**

**Lead time:** Made to order. Approximately 20-24 weeks from Italy.
