

## Eresia By Amura

# VOYAGER

"Geometry and strictness characterize this particular bookcase that combines design and functionality."

#### Designed by Anton Cristell & Emanuel Gargano

In Eresia volumes alternate in a balanced play of proportions. Cubes and parallelepipeds are spaced out with openings in a playful succession of "empty" and "full". Extremely modular and sectional, Eresia fits perfectly in any environment, from the office to the living area: a piece of furniture of extreme rationality that can be also used to separate two different home environments. Structure in lacquered metal, in the RAL colors available in the collection. Optional boxes in natural cuoio in the
