VOYAGER

"Hourglass is a collection of coffee tables that combines the materials, at the forefront of the Amura collection, metal, wood and marble."

Hourglass is a collection of coffee tables that combines the materials, at the forefront of the Amura collection, metal, wood and marble. Their designs interpret perfectly, in its shapes, the meaning of the word that gives the collection its name. Available in two sizes (with different height and diameter of the top), the Hourglass tables find different application and can satisfy different needs: in the domestic environment they can be applied in different functions (from the living room, to the bedroom or bathroom), in the contract sector their use is eminently transversal. A collection with a strongly contemporary signature, that has in elegance and substance its guiding
