VOYAGER

“Medea is one of the most famous and controversial characters in Greek mythology.”

Design e comfort Medea is one of the most famous and controversial characters in Greek mythology. Her name in Greek means “shrewdness, cunning”, in fact tradition describes her as a sorceress even divine powers. Hence the idea of attributing this name to the Medea seating collection. Medea leaves nothing to chance, the soft and sculptural shapes, do not have purely aesthetic value, on the contrary, they arise from a study of interaction between the user and the seat itself. Medea, thanks to the bulging curves, has the task of wrapping and ensuring comfort, without sacrificing the obvious aesthetic value

ITA

Medea è uno dei personaggi più celebri e controversi della mitologia greca. Il suo nome in greco significa "astuzie, scaltrezze", infatti la tradizione la descrive come una maga dotata di poteri addirittura divini. Da qui l'idea di attribuire questo nome, alla collezione di sedute Medea.
Medea non lascia nulla al caso, le forme morbide e scultoree, non hanno valore puramente estetico, al contrario nascono da uno studio di interazione tra il fruitore e la seduta stessa. Medea, grazie alle prorompenti curve ha il compito di avvolgere ed assicurare comfort, senza rinunciare all'evidente valore estetico.
