## Medea Swivel By Amura

**VOYAGER**

**“Medea leaves nothing to chance, the soft and sculptural shapes”**

Medea is one of the most famous and controversial characters in Greek mythology. Her name in Greek means “shrewdness, cunning”, in fact tradition describes her as a sorceress even divine powers. Hence the idea of attributing this name to the Medea seating collection. Medea leaves nothing to chance, the soft and sculptural shapes, do not have purely aesthetic value, on the contrary, they arise from a study of interaction between the user and the seat itself. Medea, thanks to the bulging curves, has the task of wrapping and ensuring comfort, without sacrificing the obvious aesthetic value.

**Lead time:** Approximately 20-24 weeks from Italy
