"Parere is the freedom to express one's vision of space" A bookcase that leaves a lot of space for imagination and the possibility to customize the interior design of any environment, from the living area of the house, to the professional studio, from the common areas of a hotel, to a business lounge. Parere is the freedom to express your vision of space and to play with different modules and an infinite possibility of configurations. A sort of "accordion" that adapts in width to various housing needs and can be used as a traditional bookcase, but also as a partition wall to create two environments from a single space. A synthesis of design and functionality, Parere expresses the contrast between vertical elements (characterized by material thickness) and horizontal elements (light and thin, almost a stretch in space).

**Lead time:** Made to order. Approximately 20-24 weeks from Italy.

## ITA

Una libreria che lascia grande spazio all'immaginazione e alla possibilità di personalizzare l'interior design di ogni ambiente, dalla zona living di casa, allo studio professionale, dalle aree comuni di un hotel, a una business lounge. Parere è la libertà di esprimere la propria visione dello spazio e di giocare con diversi moduli e un'infinita possibilità di configurazioni. Una sorta di "fisarmonica" che si adatta in larghezza alle varie esigenze abitative e può essere utilizzata come libreria tradizionale, ma anche come parete divisoria per creare due ambienti da un unico spazio. Sintesi di design e funzionalità, in Parere si esprime il contrasto fra elementi verticali ed elementi orizzontali.

## EN

A library leaving great space to imagination, and to the possibility to customize the interior design of any ambient, from the living room to the professional study, the public areas of hotels, a business lounge. Parere is the freedom to express one's own vision of space, and to play with different modules and an infinite range of configurations. A sort of "accordion", getting wider or narrower according to the living needs and that can be used as a traditional bookshelf, but also as a partition that creates two ambient from a single room. A synthesis of design and functionality, Parere expresses in itself the contrast between vertical elements and the horizontal elements.
