

## Sistema Parere Madia By Amura

VOYAGER

“Sistema Parere strikes as well for the extreme elegance of the structure.”

Designed by: Anton Cristell & Emanuel Gargano

Strongly versatile, the peculiarity of Sistema Parere lies in its ability to shrink and expand, like an accordion, its vertical planks: a feature that makes it possible to “fit” the structure to different spaces and various living needs, creating spaces for books, objects, wine bottles, as well as audio and video systems. The availability of heights for the vertical elements allows for the creation of sideboards and TV stands which are fully customizable and characterised by different types of openings and closings, with a dynamic play on the full and empty volumes. Syntesis of design, functionality and craftsmanship made in Italy, Sistema Parere strikes as well for the extreme elegance of the structure.

**Finishes:** Structure is Available in various Wood finishes. Shelves are available in Metal or Wood. The Doors are available in various materials including; Wood, Glass, Leather & Cuoio. Enquire now for further details

**ITA**  
Fortemente versatile, la peculiarità del Sistema Parere è legata alla possibilità di stringere e allargare "a fisarmonica" i suoi assi verticali: caratteristica che permette di "accomodare" la struttura a diversi spazi e alle varie esigenze abitative creando vani atti a riporre libri, oggetti, bottiglie di vino, ma anche apparecchi stereo e tv. La disponibilità di diverse altezze per gli elementi verticali contribuisce alla creazione di madie e mobili TV del tutto personalizzabili e caratterizzate da vari tipi di contenimento e aperture in un gioco dinamico di vuoti e pieni. Sintesi di design, funzionalità e artigianalità made in Italy, Sistema Parere colpisce anche per l'estrema eleganza della struttura.
