STILT CHAIR

AM119

Design by
Stefano Grassi - 2022

ITA

STILT è la sedia dal design essenziale e dalle forme armoniche che evocano serenità e calore domestico. La sua struttura in legno massello ricorda l'architettura di abitazioni antiche e ispira il suo stesso nome, mentre sorregge il cuoio che fa da spalliera e seduta. Il minimalismo del design non nasconde la rigorosa ricerca e la cura del dettaglio, visibile anche nei sofisticati inserti in cuoio e nelle lavorazioni di alta manifattura. Dal carattere avvolgente e senza tempo, Stilt Chair è protagonista di qualsiasi ambiente vocato al design.

ENG

STILT is the chair from essential design and balanced shapes that recall serenity and home warmth. Its solid wood structure reminds the ancient homes' architecture and inspires its own name, while it supports the backrest and seat in cuoio. The minimalist design does not hide the meticulous research and the attention to detail that is visible from the refined cuoio sections and from the premium quality manufacturing. With an embracing timeless character, Stilt Chair is the star of any design dedicated setting.
