“STILT is the sofa that recalls most the serenity and warmth in the home”

Designed by: Emanuel Gargano

STILT is the sofa that recalls most the serenity and warmth in the home. With a solid wood structure, it is reminiscent of the architecture of ancient homes. The structure supporting the soft padding of backrests, seats, and armrests. The minimalist design combined with meticulous research and the attention to detail visible from the refined cuoio sections, and from the premium quality manufacturing. Soft, wide, spacious, the STILT sofa is a system embracing various timeless versions by its designer Stefano Grassi. It's unique character makes it the absolute star of any relaxing dedicated setting.

ITA

STILT è il divano dal design essenziale e dalle forme armoniche che evocano serenità e calore domestico. La sua struttura in legno massello ricorda l'architettura di abitazioni antiche e ispira il suo stesso nome, mentre sorregge le imbottiture morbidissime della spalliera, della seduta e dei braccioli.

ENG

STILT is the sofa from essential design and balanced shapes that recall serenity and home warmth. Its solid wood structure reminds the ancient homes' architecture and inspires its own name, while it supports the soft padding of backrests, seats and armrests.
