

Tau Armchair By Amura

VOYAGER

“Born from the experience and observation of an Eastern lifestyle”.

Designed by: Emanuel Gargano

“Born from the experience and observation of an Eastern lifestyle”. Tau is the last Greek alphabet letter and is also a symbol rich in religious and spiritual meanings. TAU was born from the experience and observation of an Eastern lifestyle: if we sit on the ground, the sky will seem even higher. Simplicity and proportionality are the Tau stylistic hallmark. The sofa perfectly expresses gentleness and soft comfort through a timeless design: ample, perfectly soft, low, and comfortable cushions invite and welcome any guest.

Lead time: Approximately 20-24 weeks from Italy.

TAU
AM006

ITA

Ultima lettera dell'alfabeto greco, ma anche simbolo ricco di significati religiosi e spirituali. Tau nasce dall'esperienza e dall'osservazione dello stile di vita orientale: "se ci sediamo a terra il cielo ci sembrerà ancora più alto". Semplicità e linearità sono la cifra stilistica di Tau. Il divano esprime perfettamente morbidezza e comfort attraverso un design senza tempo: ampi cuscini morbidi, bassi e confortevoli quasi racchiusi in un "vassoio" rigido che li accoglie.

ENG

The last letter in the Greek alphabet, as well as a symbol dripping with religious and spiritual meaning, Tau is born from the experience and observation of the oriental lifestyle: "sitting on the floor, the sky feels even higher". The sofa expresses perfectly softness and comfort with its timeless design: ample soft cushions, low and comfortable, almost enveloped in a rigid "tray" that welcomes them.
