VOYAGER

“This iconic, timeless symbol has been reinterpreted using thin metal plates that open and close to set the different heights of the X-shaped sides.”

This iconic, timeless symbol has been reinterpreted using thin metal plates that open and close to set the different heights of the X-shaped sides. The two ends are connected by a central double-bar crossbeam. The frame has a striking design, featuring elegant details and finishes. It supports the top which comes in wood or natural stone, in various sizes.

Dimensions (cm): L 120 | H 75 | D 35

Lead time: Stocked options, or 20-24 weeks from Italy
